Scott: barrett?
me: yo
Scott: any shot uve spoken to campbell recently?
me: not really, he had me forward godaddy info to him the other day
Scott: hmm
Scott: we were supposed to do a walk through the pre-alpha before today's meeting
me: didn't know about that
Scott: oh well
me: we've got plenty else to go over anyway
me: I'll figure out when we can walk through pre-alpha, maybe he'll be on tonight
Scott: i imagine we will, but i was hoping to go through it with him to get a good idea of what major/minor details still need to be hashed out and/or honed.
Scott: we had planned to do this at 5pm EST via webex. He was going to do it with me on Sat afternoon but I was way too hungover.
